

REFERENCE LIST OF KEY GENERAL ENGINEERING PROJECTS					
Project	Capacity	Location	Scope of Service	Status	Remarks
Installation of Thickener & Associated Systems at Morocco	40, 45 and 50 m Dia	Morocco	Civil Engineering for Thickeners and Flocculent Systems	Commissioned	
Installation of Greenfield Lime Calcination Plant	440 TPD	Salalah, Oman	Engineering Consultancy Services for Lime Calcination Plant	Project Under Execution	
Installation of Gold Ore Processing Plant for Ramgad Minerals & Mining Ltd	1000 TPD	Karnataka, India	Civil and Structural Engineering Consultancy Services for Complete Gold Ore Processing Plant	Project Under Execution	
Engineering of Material Handling System for Raw Paddy	38 TPH	Karnataka, India	Basic and Detail Engineering of Belt Conveyor System for Raw Paddy	Commissioned	
Installation of Limestone Crushing and Screening Unit for M/s Majan Mining	1000 TPH	Salalah, Oman	Detailed Mechanical & Structural Engineering Services for Belt Conveyor Systems	Project Under Execution
